Policies & Procedures

Hampton Park Community House regularly reviews its Policies & Procedures in line with current legislation.

Policies currently under review:

- Late collection
- Nappy change and toileting
- Kindergarten enrolment and orientation

Summer reflections

Summer is not just a season; it is a symphony of laughter, learning, and limitless possibilities. In Term 1, we joyfully celebrated our return to the Hampton Park Community House after a period of renovation. It was a heartwarming moment as we welcomed our Kinder and OSHC programs back on site, while our Occasional Care service continued to thrive at our Strong Drive location.

The renewed atmosphere filled our center with excitement and anticipation, marking the beginning of a new chapter filled with growth, learning, and cherished memories. We are grateful for the continued support of our families and staff as we embark on this journey together.

Hampton Park Care Group Inc. Association

The Association is a not-for-profit, community-owned, and managed entity overseeing childcare and education at the Hampton Park Community House. The Association's Annual General Meeting occurs every May, where they review the year's activities and plan for the future. The organisation focuses on providing quality care and educational services to support the local community. For more details, you can view the Annual Report 2023 below.

Annual Report

Your child

Your special talents

Calling all parents/carers to share your special talents. We believe in the power of diverse skills and experiences to inspire and enrich their learning journey. Whether you are passionate about music, art, storytelling, cooking, playing musical instruments or anything in between, we welcome you to spend some time with us in the room to showcase your unique talents. For example, Teagan delights the children with her expertise in netball and basketball techniques, while Athira brings the joy of Bollywood dance to your children.

Now, it is your turn to spark curiosity, creativity, and joy in the hearts of our young learners. Let's create memorable moments together! Send our educational leader your email with your talents.

teagan.grigor@hamptonparkch.vic.edu.au

Athira

Assistant Director Children's Services

Team update

Welcome

Athira - Assistant Director and ECT

Hello everyone,

I am thrilled to introduce myself as Athira Arun, and I am delighted to embark on this exciting journey with HPCH. My journey to this service is fuelled by my passion for embracing diverse cultures and engaging with an enthusiastic community. Originally from Kerala, India, I bring with me a rich cultural background and a deep-rooted appreciation for the values of diversity and inclusivity.

My professional journey initially led me into the field of Human Resources back in India. However, my path took a transformative turn when I relocated to Australia with my family in 2013. It was here that I discovered my profound interest in working with children, initially through volunteer opportunities. This experience ignited a new found passion within me, prompting me to pursue a career in early childhood education.

Since then, I have worn various hats in different positions within the early childhood sector, all with the singular aim of providing the best possible experience for every child who walks through our doors. I am committed to creating a nurturing and supportive environment where each child can thrive, learn, and grow to their fullest potential. I am eager to collaborate with our dedicated team and partner with you, our valued families, as we embark on this journey of discovery and learning together.

Zakerah (Zac) - Early Years Educator

My name is Zakerah, and I'm a mother to three children whom I love spending time with. Originally from Afghanistan, I moved to Australia after completing my schooling in my home country. As a refugee, I arrived in Australia and dedicated myself to learning English and adapting to the new environment. I have obtained certificates in English and Community Services and Children's Services at the Certificate III level. Over the past five years, I've had the privilege of working in daycare, an experience I found immensely rewarding.

My passion for working with children stems from the joy and happiness it brings me. Currently, I am pursuing the Diploma of Early Childhood Education with the aim of developing my skills as an educator. My goal is to contribute to the growth and development of many young individuals, nurturing them both mentally and emotionally.

Zac

Summi - Early Childhood Educator

Personal Journey Hello!

I'm Summi Rana, and I am thrilled to join the team at Hampton Park Community House. My commitment to early childhood education began in 2006 when I completed my Certificate III in Children's Services. This foundational step sparked a journey of growth and learning, culminating in a Diploma in Children's Services in 2014. With over a decade of hands-on experience, I have dedicated myself to nurturing the minds and hearts of our youngest learners.

Professional Path

Since embarking on this rewarding career, I have embraced every opportunity to connect with children and guide them through their formative years. My professional path is marked by continuous engagement with innovative teaching methods and a deep understanding of the developmental milestones that are crucial in early education.

Teaching Philosophy

My teaching philosophy is built on core principles that I believe are essential for fostering a supportive and productive learning environment for young children:

1. *Patience and Understanding* - Recognising that each child is unique and learning at their own pace.
2. *Encouragement and Positivity* - Celebrating every milestone and encouraging children to believe in their abilities.
3. *Communication and Listening* - Ensuring that every child feels heard and understood.
4. *Promoting Independence* - Empowering children to explore and learn through self-initiated discovery.
5. *Setting Boundaries* - Providing a structured environment where children can thrive within clear expectations. These principles guide my approach to teaching and reflect my commitment to creating a nurturing space where children can grow both academically and personally.

I begin this new chapter at Hampton Park Community House, I am excited to share my passion and collaborate with a team that values the importance of early childhood education.

As Term 3 approaches we are preparing the children for our move. We're having conversations about what they would like to do in their kindergarten program at the new site and how we will make our new environment welcoming and engaging for everyone.

Farewell

It is with mixed emotions that we say farewell to Anisa, one of our beloved early childhood educators, from the Occasional Care Program and Hampton Park Community House. Anisa's enthusiasm, kindness, and professionalism have left an indelible mark on our team and the families we serve. Her punctuality and dedication to her work have been truly admirable, and her fluency in multiple languages has enriched our community. While we are saddened by her departure, we are also excited for her new endeavors. Anisa will be sorely missed by all of us, but her impact will continue to resonate within our hearts and the memories we've shared. We wish her all the best in her future.

Program update's

Occasional Care for under 5's

During the first term of Occasional Care, we were excited to welcome new children and help everyone settle in after the long Christmas holiday. Our main goal was to create a warm and welcoming environment where your child feels they belong. We focused on making your child feel at home, fostering their curiosity, and supporting their learning through play.

Activities we enjoyed:

- **Exploring together**, sensory zones and outdoor play let your child discover new textures and natural elements.
- **Creative fun**, art stations and music activities encouraged your child to express themselves and develop fine motor skills.
- **Building and puzzles**: These activities helped your child solve problems and use their imagination.

Snapshots

Term One

Connecting

Reading stories and talking about them helped your child learn new words and understand more about the world. Group games and pretend play taught your child how to work with others and understand different roles.

Creating

This activity not only fostered creativity and fine motor skills but also encouraged teamwork and problem-solving as they worked together on their projects.

Belonging

Each child had their own spot for their things, making them feel secure. We displayed family photos in the room, helping your child feel connected to home. We celebrated different cultures and let children choose some activities, making everyone feel included.

Your place

Events

The Renewal Project Welcome back event

The crowning achievement of 2023 was the triumphant completion of the Renewal Project, which encompassed the renovation of the Hampton Park Community House. This ambitious endeavor necessitated a temporary relocation of Children's Services to Strong Drive Family Centre.

To celebrate our return to Hampton Park Community House at Stuart Ave in 2024, we gathered for a memorable launch event. We were honored to welcome distinguished guests including Gary Maas MP, the City of Casey Administrator and CEO, as well as the original owners of the farm at Hampton Park. We also had the privilege of hosting the founding members of the Hampton Park Community House, the originals, and, most importantly, our wonderful community members and families.

As aptly stated by HPCH Board member Bruce McBain at the re-opening event, "facilities and buildings, no matter how great, rely on people—the HPCH staff and community—to bring them to life."

Thank you for being a part of this project and supporting the vision of growing thriving children's service.

Family support

In our latest community support efforts, the IFS team continues to make substantial strides in assisting families dealing with school disengagement. Priya has been actively involved with the School Refusal Working Group, a key initiative aimed at understanding and mitigating the complexities of students reluctant to attend school. This collaboration underscores our commitment to addressing educational barriers comprehensively and empathetically, ensuring that each student receives the support they need to succeed.

Chloe, is pioneering efforts to bridge the knowledge gap between family services and local schools, She is currently organising an information session targeted at well-being staff within schools. This workshop, designed to educate the role of family services, will also explore strategies for re-engaging young people with their educational journeys. Through such initiatives, we aim to foster a greater understanding and cooperation between families and schools, creating a supportive network that encourages students to return to and thrive in their educational environments.

The team has also experienced some changes and developments in expertise. Lorna has recently expanded her knowledge base by attending workshops on governance and Foetal Alcohol Syndrome Disorder (FASD), ensuring that our team is well-equipped to address a range of challenges affecting our families. Meanwhile, we bid a warm farewell to Edith, who after two years of dedicated service and mentorship, will be moving on. Her contributions have been invaluable, and she leaves behind a legacy of compassion and resilience. As we continue to support our families, including distributing food boxes during term time, we are also exploring ways to enhance and expand this vital program to meet growing needs.

Community life

Neighbourhood House Program

We're thrilled to introduce you to the Neighbourhood House program at Hampton Park Community House. Neighbourhood Houses are the heart of our communities. They bring people together to connect, learn, and contribute to their local community through social, educational, recreational, and support activities.

During Neighbourhood House Week, we hosted a series of vibrant community events. One highlight was the Stronger Together Hampton Park Community Group afternoon tea, where over 20 local community groups and their members came together to collaborate on ways to enhance our community. Another key event was the Hampton Park Community Kindergarten Open Day, warmly welcoming new families. Throughout the term, we invite everyone to participate in our various community events and activities, like the recent highly enjoyable Mother's Day afternoon tea. Join us as we continue to have fun and strengthen our community bonds.

What's on this Winter?

Neighbourhood House Term 2 Activities

Looking to enrich your life this term? Join us at Hampton Park Community House for a range of engaging activities tailored to suit your interests and needs.

Need support?
Your family support team
is here to help

Social Groups

Connect with like-minded women in our vibrant social group. Share stories, laughter, and support as we explore various topics and experiences together.

Community Seminars

Stay informed and empowered with our series of seminars addressing issues important to you. From health and wellness to community engagement, our seminars cover a wide range of topics to keep you informed and engaged.

Explore your passions

Whether you're interested in cooking, creative arts, gardening, meditation, or staying active, we have something for you. Join our workshops to learn new skills, unleash your creativity, and connect with others who share your interests.

Community events and outings

Hop aboard our Community Bus for exciting outings like the Op Shop Hop! Have fun exploring new places and enjoy the company of fellow community members.

Get creative with activities, projects, groups

Hampton Park has dozens of creative clubs – from drawing and painting to literature, floristry to choir! Head over to the HPCH Community Life site to browse all the creative activities on offer.

Community life joining fee of only \$10 you learn, grow, and connect with your community this term. Get involved and make the most out of your Neighbourhood House experience.

If you're interested in becoming a member of our **Neighbourhood House Association** or have any questions about our programs, please don't hesitate to contact our Community Programs team members:

Code: vwgyk

Adult Learning

Term 2 courses

Flexible computers

In the Flexible computers course, you'll learn essential skills including computer basics, keyboard shortcuts, and introductions to Microsoft Word and PowerPoint. Gain proficiency in web browsing with Google Chrome, manage emails with Gmail, use Google Calendar, and understand the basics of safe browsing and internet security.

When: Thursdays 1-3pm

Venue: Hampton Park Library

When: Wednesdays 9.30-11.30am

Where: Uniting Place, 1 Coral Drive, Hampton Park

English for Life

The English for Life course teaches essential English language skills and helps you adapt to Australian life. You'll learn how to use public transport, access medical or emergency support, and navigate daily activities, ensuring you feel right at home.

When: Monday's 12-2pm

Venue: HPCCH Classroom, 16-20 Stuart Ave, Hampton Park

Afghan Women's Literacy

The Afghan Women's Literacy course helps Afghan women learn basic English and form friendships with other women in the Australian Afghan community. This supportive environment fosters learning and connection, making it easier to navigate daily life and build a strong community network.

When: Tuesday's and Wednesday's 10am-12pm

Where: Hampton Park Library, 26 Stuart Ave, Hampton Park

Zohra M: 0493 040 499

Community Programs Coordinator
& Adult Educator
