Hampton Park Community House affirms its commitment to child safety. We have a zero-tolerance approach to child abuse and are committed to acting in the best interests of all children and keeping them safe at all times. We actively work to listen to and empower children, and we are committed to creating a culturally safe environment for Aboriginal children, children from culturally and linguistically diverse backgrounds, and children with disability. We promote the participation of families and the community and expect all staff and volunteers to uphold our child safe practices and values.

Acknowledgement of country

We acknowledge the Wurundjeri and Bunurong people of the Kulin Nation as the Traditional Custodians of the land on which we live, learn and play. We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.
